British Swimming Official's Licences

Swimming Official licences demonstrate your competence as an official and help British Swimming and Swim England to ensure the sport of swimming benefits from the highest possible standards.

To learn how to apply for, or renew, your licence, read on.

British Swimming Officials Licences - Initial Application

Administered by the [Institute of Swimming](#) (IoS), the Swimming Official Licensing scheme helps demonstrate that officials have undertaken education or training to ensure they are up to date with their knowledge.

Licences aid meet organisers in selecting officials and work to offer them a summary statement of qualifications and experience. But these are not the only benefits.

Licences help to ...

- promote high standards
- provide a framework for continuous improvement and Continuous Professional Development (CPD)
- provide a vehicle that can be used to implement change
- commit the holder to uphold the appropriate Home Country Code of Ethics in swimming
- be part of a regulated and developing career structure
- enable the suspension or removal of the status

To apply for your first licence, you will need a passport size photograph. The licence costs £10 and lasts for four years.

- You will receive an endorsed application form for you to apply to become licensed from the Regional Officials' Manager with your Judge letter and pass certificate following a new qualification via the old-style judge level 1 training pre the current IOS online version.

British Swimming Officials Licence Signature

To be completed by a referee, Regional/County organiser or authorised person (page 2 application form)

It was discovered in some areas, the form is still being signed by an official (not a qualified licensed referee), or the county Organiser was sometimes not even an official.

Authorised Signatories

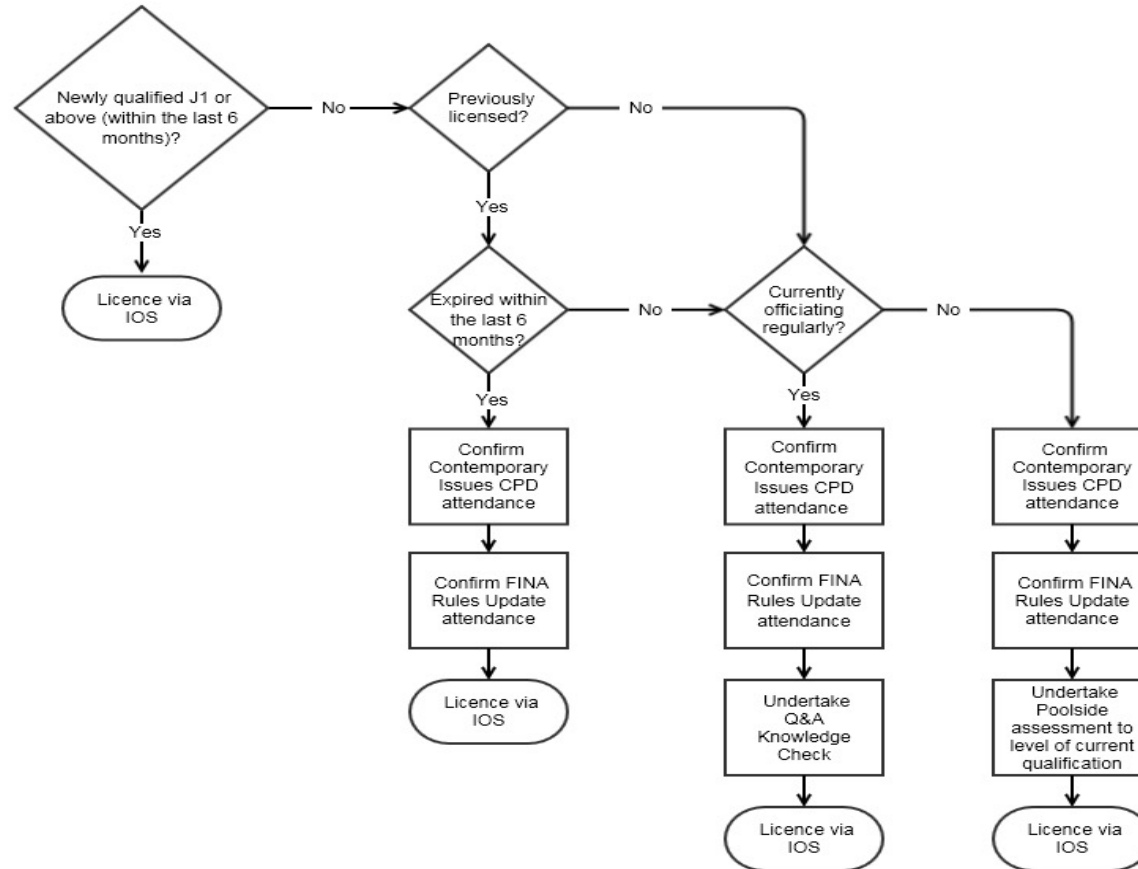

- In SE East Region, any licensed qualified referee can sign a licence renewal in certain circumstances, see the Swim England flow chart produced to show the process and who can sign.
- Only SE East Regional **authorised assessors via the County Coordinator** can sign applications for a renewal (the licence expiry over 6 months) or an initial application over 6 months since passing a new judge qualification and not been licensed before. **This is does not apply if the licence expired and was extended in the Covid-19 period. See slide no. 7**
- [County Officials' coordinators](#) can provide local details of current authorised county assessors who can carry out processes in column 3 and 4 on the flow chart on slide 9.
