21/06.1	SE SR masters Championships 10 th October 2021 at Newmarket Leisure Centre. LM Informed the Group that the pool was booked. The Conditions and schedule of events were being written. LM/GM informed the Group that poolside restrictions as a result of COVID-19 would limit numbers of competitors during warm-up and around the poolside when not actually racing. As a result, the 800m and all relays would be omitted from the schedule for this year only and the remaining events divided into 4 sessions. The cost of a single entry was discussed and a cost of £7.00 was set. No medals would be awarded.

Regional Masters Inter-Counties

LM had heard from Bedfordshire and Suffolk before the meeting, both Counties thought they could enter a team for this event. Norfolk currently has no representative and other Counties thought it unlikely they could enter a team. As a result, with just 2/3 teams likely to take part the Group decided not to hold this event this year.
