

## Information Document

### Aims

The Swim England East Region Open Water Development Day runs annually to provide a development opportunity to athletes within the region where open water racing skills are taught and experienced.

### Camp Format

The camp will be run over one full day which will encompass theory work in a classroom setting, lake practical, and a race simulation. There will be time allocated for showering between sessions.

### Venue

Stanborough Lakes, Welwyn Garden City, Hertfordshire, AL8 6DQ. Please note, when arriving at Stanborough Lakes, if you have come from the A1(M) towards Stanborough there is no right turn into the park, you will need to turn around at the next roundabout and the entrance is the turning on the left just before the roundabout.

### Date and time

8<sup>th</sup> June 2024, 9.00 registration, meet outside the main office. Collection at the end of the day will be at the same location at 5pm.

### Cost

£40 per swimmer. This will be used to fund venue hire, safety staff, hats and coach expenses.

### Camp Criteria and Entry

Usually, the criteria is open to swimmers who qualified to swim at the previous year's Swim England National Open Water Championships in the 12-16 years age groups. For 2024 East Region will be using a different selection criteria for the Open Water Development Day and is open to swimmers aged 11-17 years.

The selection this year will be through swimmer application via an Expression of Interest online form. Athletes that are successful in gaining a place will receive confirmation via email, and will then be required to complete a confirmation form, and make payment. The confirmation form will include medical details, and agreement to adhere to the regional policies.

The camp is open to swimmers that meet the following criteria;

- Club Compete member of a Swim England East Region affiliated club
- Aged 11- 17 years as at 31<sup>st</sup> December 2024
- Has experience of Open Water Swimming
- Planning on competing at the forthcoming East Region Open Water Championships on 14<sup>th</sup> July 2024 at Whitlingham Lakes, or similar event

## Information Document

- Athletes attending development opportunities run directly by Swim England Talent, will not be eligible for selection

All selected athletes will be sent an invitation to the camp by email and will need to confirm their attendance via payment of £40 before the deadline given.

### Coaches

The Open Water Development Camp will be staffed by qualified coaches with relevant open water swimming experience. All coach appointments will be made in consultation with the Swim England Talent Team Open Water Technical Lead.

Additional coaches are welcome and encouraged to attend to shadow the camp to develop their knowledge of coaching open water swimming. Coaches wishing to attend should complete the [Observation Booking Form](#) found on our website.

### Team Managers

Swim England East Region is unable to run regional camps without the support of team managers. All team managers must have completed a team manager course and hold a valid safeguarding certificate and DBS check. If you are interested in assisting as a Team Manager, please complete the Coach and Team Manager registration form found on our website.

### Kit

- Swimwear (there will be 2x lake sessions so please bring more than one set of swimwear)
- Towel x2
- Goggles
- Swimming hat
- Pen and paper to use during the classroom sessions
- Sun cream if it is going to be a sunny day
- Warm clothes to put on after the lake sessions
- Lunch and any snacks
- Re-fillable plastic drinks bottles x2

Wetsuits will be allowed if the water temperature is considered too cold for just normal swimwear. However, if the water temperature is considered suitable for normal swimwear, athletes will be encouraged to swim without a wetsuit. FINA guidelines on wetsuits only apply to competitions. Athletes will be expected to provide their own wetsuit.
