24/04 Matters arising

24/04.1 LW asked if it was known whether the request to the Board to have Masters Records split into long course and short course had been approved. EW said it had and that Louise Hughes had already started to work on this.

24/04.2 LM questioned whether the cost of medals and trophies for the Masters Decathlon, which was over £250 was a good use of the money and whether fewer medals could be purchased next year. Should medals only be purchased for the 1st place individuals and teams?

24/05 Development plan and Competition plan

- 24/05.1 Bury St Edmunds pool to be booked for the Masters Intercounty event. Same time of day on the date of competition when published. Have a proforma for teams so that all relevant information can be collated more efficiently.
- 24/05.2 The East Region Masters Championships to be held on 29th September 2024. EW will try to book Newmarket pool for that date.
- 24/05.3 It was decided not to hold a development day in 2024. Attendance was poor last year and needs a rethink for activities and which swimmers will be catered for.
